At the termination of this Lease Agreement, for whatever reason and whether terminated by Landlord or Tenant, Tenant shall give immediate possession of the premises to Landlord. Tenant's failure to give immediate possession at the end of this Lease Agreement shall entitle Landlord to all judicial remedies, fees and damages, including attorney's fees, provided by N.C.G.S. §§ 42 and 44A. The parties agree that Landlord may adjust the monthly rent during the term of this Lease upon **notice** to Tenant(s). Such notice may be provided by email, leaflets, invoicing, mass text, or the online payment portal, Buildium. The first rent payment shall be prorated if the tenancy commences on a day other than the first day of the month. 4. Tenant's Obligations: Unless otherwise agreed upon, the Tenant shall:

- (a) use the Premises for residential purposes only and in a manner so as not to disturb the other tenants;
- (b) not use the Premises for any unlawful or immoral purposes or occupy them in such a way as to constitute a nuisance;

- (a) comply with the applicable building and housing codes to the extent required by such building and housing codes;
- (b) make all repairs to the Premises as may be necessary to keep the Premises in a fit and habitable condition; provided, however, in accordance with paragraph 11, the Tenant shall be liable to the Landlord for any repairs necessitated by the Tenant's intentional or negligent misuse of the Premises; and,
- (c) keep all common areas, if any, used in conjunction with the Premises in a clean and safe condition; and

7. Assignment. Tenant shall not assign this Lease Agreement or sublet the premises in whole or in part.

8. Rules and Regulations: The Tenant, his family, servants, guests and agents agrees to comply with and abide by all the Landlord's existing rules and regulations, attached hereto and incorporated herein by reference as "Rules and Regulations," and such future reasonable rules and regulations as the Landlord may, at Landlord's discretion, from time to time, adopt governing the use and occupancy of the Premises and any common areas used in connection with them (the "Rules and Regulations"). By signing this Lease, Tenant(s) acknowledge(s) that they have received, read, and agree to be bound by the Rules and Regulations as a material condition of this agreement. Landlord reserves the right to make changes to the existing Rules and Regulations and to adopt additional reasonable rules and regulations from time to time; provided however, such changes and additions shall not alter the essential terms of this lease or any substantive rights granted hereunder and shall not become effective until thirty (30) days' written notice thereof shall have been furnished to Tenant. A copy of the existing Rules and Regulations, if any, are attached hereto and the Tenant acknowledges that he has read them. The Rules and Regulations shall be deemed to be a part of this lease giving to the Landlord all the rights and remedies herein provided. In the event that Tenant(s), or any occupant, guest, or invitee of Tenant(s), violates any provision of the Rules and Regulations, the following procedure shall apply:

(a) **Notice.** Landlord shall provide Tenant(s) with notice of the specific violation with the fine amount due subject to the provisions outlined in subsection (c) of this term.

(b) **Violation Fee.** A fee of **One Hundred Dollars (\$100.00)** shall be assessed for each separate violation of the Rules and Regulations. Each rental period in which a continuing violation remains uncured after the notice period described in subsection shall constitute a separate violation.

(c) **Cure Period.** Tenant(s) shall have **seven (7) days** from the date of notice to cure any curable violation. If the violation is cured within the cure period, the \$100.00 fee shall still be assessed for the initial violation. Landlord reserves the right to waive a \$100.00 fee upon prompt and immediate cure of the noticed violation. Certain violations—including but not limited to those involving criminal activity, physical damage to property, or safety hazards—may be deemed incurable at Landlord's sole

discretion and shall not be subject to any cure period.

If Tenant fails or refuses to cure the violations, Tenant agrees that Landlord may undertake to cure the violation and charge the Tenant the actual cost to cure the violation plus 25%.

(d) **Additional Rent.** All assessed violation fees shall be deemed **additional rent** under this Lease Agreement. Unpaid violation fees and costs to cure shall be subject to all remedies available to Landlord for nonpayment of rent under this Lease and under North Carolina law, including but not limited to, summary ejectment proceedings pursuant to N.C.G.S. Chapter 42.

(e) **Payment.** Violation fees and cure costs plus 25% are due and payable at the beginning of the rental period following notice.

(f) **No Waiver.** Landlord's failure to enforce any Rules and Regulations or assess a violation fee on any particular occasion shall not constitute a waiver of Landlord's right to enforce the same or any other Community Rule on any future occasion.

9. **Right of Entry:** Landlord hereby reserves the right to enter the Premises during reasonable hours for the purpose of (1) inspecting the Premises and the Tenant's compliance with the terms of this lease and the Rules and Regulation; (2) making such repairs, alterations, improvements or additions thereto as the Landlord may deem appropriate; and (3) showing the Premises to prospective purchasers or tenants. Landlord shall also have the right to display "For Sale" or "For Rent" signs in a reasonable manner upon the Premises.

10. **Pets:** No animal or pet is allowed without the prior written approval of Owner or Owner's agent. Dogs will be considered on a case-by-case basis. Large dogs (over 30 pounds), dogs that have previously exhibited aggressive behavior, and breeds known for aggressive behavior or excessive barking, including, but not limited to, Pitbulls, Rottweilers, Chows, Shepherds, Collies and Dalmatians, are prohibited. If a dog is allowed, then the dog must be on a leash at all times and in the control of tenant or responsible party under tenant's direction when outside of tenant's home. No outside dog houses, pens, runs or tethering are allowed. Tenant agrees to reimburse and indemnify and hold harmless the Landlord for any primary or secondary damages caused by any pet or animal whether the damage is to the Premises or to any common areas used in conjunction with them, and to indemnify Landlord from any liability to third parties which may result from Tenant's keeping of such pet or pets. It is the responsibility of Tenant to pick up and dispose of pet waste whenever the pet is outside of tenant's home. The Tenant shall remove any pet previously permitted within 24 hours of written notification from the Landlord that the pet, in the Landlord's sole judgment, creates a nuisance or disturbance or is, in the Landlord's opinion, undesirable.

11. **Damages:** Tenant shall be responsible for and liable to the Landlord for all damage to the Premises whatever the cause, except such damage caused by acts of the Landlord, his agent, or of third parties not invitees of the Tenant, and natural forces. Tenant agrees to pay Landlord for the cost of repairing any damage for which Tenant is responsible upon receipt of Landlord's demand therefor.

12. **Occupants:** The Tenant shall not allow or permit the Premises to be occupied or used as a residence by any person other than Tenant and the Permitted Occupants.

13. **Rental Application:** In the event the Tenant has submitted a Rental Application in connection with this lease, Tenant acknowledges that the Landlord has relied upon the Application as an inducement for entering into this Lease and Tenant warrants to Landlord that the facts stated in the Application are true to the best of Tenant's knowledge. If any facts stated in the Rental Application prove to be untrue, the Landlord shall have the right to terminate the tenancy and to collect from Tenant any damages resulting therefrom.

14. **Tenant's Duties Upon Termination:** Upon any termination of the Tenancy created hereby, whether by the Landlord or the Tenant and whether for breach or otherwise, the Tenant shall: (1) pay all utility bills due for services to the Premises for which he is responsible and have all such utility services discontinued; (2) vacate the Premises removing therefrom all Tenant's personal property of whatever nature; (3) properly clean the Premises removing therefrom all rubbish, trash, garbage and refuse.

15. **Sale of Mobile Home:** If Tenant desires to sell his mobile home and have the home remain in the Park, the following conditions must first be met: (i) all rental payments must be current and the then applicable transfer fee paid, (ii) buyers/applicants must be pre-approved by Landlord, and (iii) the home and yard must be in good condition. Tenant's failure to have any one or more of these conditions met prior to the sale will be deemed a breach of this Lease Agreement and Landlord shall be entitled to all remedies allowed by law in addition to possession of the premises. Homes transferred not in accordance with this provision shall result in the immediate removal of the home from the Premises. Tenant hereby agrees that the transfer fee is reasonable in light of the time and expenses associated with the transfer of homes and as well as other expenses associated with tenant substitution and transfer... The transfer fee at the time of execution of this lease is \$900 which may be changed by Landlord in its sole discretion and published on the Landlord's then Annual Fee Schedule and available to Tenant on the Landlord's Website.

16. Tenant's Default: This Lease Agreement shall be deemed in default if (i) Tenant fails to deliver the total rent owing to Landlord by the 5th day of each month or if (ii) Tenant fails to perform any other promise, duty or obligation herein agreed to by him or imposed upon him by law and such failure shall continue for a period of five (5) days from the date the Landlord provides Tenant with written notice of such failure, then in either of such events and as often as either of them may occur, the Landlord, in addition to all other rights and remedies provided by law, may terminate this lease. Landlord shall be immediately entitled to possession of the Premises and the Tenant shall peacefully surrender possession of the Premises to Landlord immediately upon Landlord's demand. In the event Tenant shall fail or refuse to surrender possession of the Premises, Landlord shall, in compliance with Article 2A of Chapter 42 of the General Statutes of North Carolina, re-enter and retake possession of the Premises only through a summary ejectment proceeding. If a summary ejectment proceeding is instituted against Tenant, in addition to any court costs and past-due rent that may be awarded, Tenant shall be responsible for paying Landlord any additional fees allowed by N.C.G.S. §42-46. In the event Landlord terminates this lease, all further rights and duties hereunder shall terminate, and Landlord shall be entitled to collect from Tenant all accrued but unpaid rents and any damages resulting from the Tenant's breach. In the event Landlord institutes a legal action against the Tenant to recover any sums due hereunder, Tenant agrees to pay Landlord reasonable attorney's fees in addition to all other damages and costs.

17. Landlord's Default; Limitation of Remedies and Damages: Until the Tenant notifies the Landlord in writing of an alleged default and affords the Landlord a reasonable time within which to cure, no default by the Landlord in the performance of any of the promises or obligations herein agreed to by him or imposed upon him by law shall constitute a material breach of this lease and the Tenant shall have no right to terminate this lease for any such default or suspend his performance hereunder.

18. Removal, Storage and Disposition of Tenant's Mobile Home and Other Personal Property. If Tenant abandons or vacates the premises without removing his mobile home then Landlord is entitled to a possessory lien on such mobile home and all Tenant's furniture, furnishings and other personal property contained therein. Landlord's lien shall be enforced by public sale pursuant to N.C.G.S. §44A-4(e). The lien shall be for all unpaid rents, any sums necessary to repair damages to the premises caused by Tenant and for all reasonable costs and expenses of the sale.

19. Repossession and Other Legal Action Against Tenant. In the event Tenant's mobile home is repossessed or if the mobile home becomes subject to any enforcement proceeding or claim and delivery action by secured creditor, then in such event Landlord shall be entitled to a possessory lien for storing the mobile home in the amount of all outstanding unpaid rents.

20. Bankruptcy: If any bankruptcy or insolvency proceedings are filed by or against the Tenant or if the Tenant makes any assignment for the benefit of creditors, the Landlord may, at his option, immediately terminate this Tenancy, and re-enter and repossess the Premises, subject to the provisions of the Bankruptcy Code (11 USC Section 101, et. seq.) and the order of any court having jurisdiction thereunder.

21. Tenant's Insurance; Release and Indemnity Provisions: The Tenant shall be solely responsible for insuring any of his personal property located or stored upon the Premises upon the risks of damage, destruction, or loss resulting from theft, fire, storm and all other hazards and casualties. Regardless of whether the Tenant secures such insurance, the Landlord and his agents shall not be liable for any damage to, or destruction or loss of, any of the Tenant's personal property located or stored upon the Premises regardless of the cause or causes of such damage, destruction, or loss, unless such loss or destruction is attributable to the intentional acts or willful or wanton negligence of the Landlord. The Tenant agrees to release and indemnify the Landlord and his agents from and against liability for injury to the person of the Tenant or to any members of his household resulting from any cause whatsoever except only such personal injury caused by the negligent, or intentional acts of the Landlord or his agents.

shall liberally and broadly interpret this lease, ignoring minor inconsistencies and inaccuracies, and that the courts shall apply the lease to determine all disputes between the parties in the manner which most effectuates their intent as expressed herein. The following rules of construction shall apply: (1) handwritten and typed additions or alterations shall control over the preprinted language when there is an inconsistency between them; (2) the lease shall not be strictly construed against either the Landlord or the Tenant; (3) paragraph headings are used only for convenience of reference and shall not be considered as a substantive part of this lease; (4) words in the singular shall include the plural and the masculine shall include the feminine and neuter genders, as appropriate; and (5) the invalidity of one or more provisions of this lease shall not affect the validity of any other provisions hereof and this lease shall be construed and enforced as if such invalid provision(s) were not included.

24. **Amendment of Laws:** In the event that subsequent to the execution of this lease any state statute regulating or affecting any duty or obligation imposed upon the Landlord pursuant to this lease is enacted, amended, or repealed, the Landlord may, at his option, elect to perform in accordance with such statute, amendment, or act of repeal in lieu of complying with the analogous provision of this lease.

25. **Eminent Domain and Casualties:** The Landlord shall have the option to terminate this lease if the Premises, or any part thereof, are condemned or sold in lieu of condemnation or damaged by fire or other casualty.

26. **Waiver:** No waiver of any breach of any obligation or promise contained herein shall be regarded as a waiver of any future breach of the same or any other obligation or promise.
